

## **Women's Ministry – Mission, Vision and Scope**

**Our mission is to inspire women to meet, build relationships with one another and spur one another to be passionate disciples of Christ, deepening our relationship with God and showing His love to those around us.**

**To achieve this mission under the oversight of church leadership, we seek to:**

- 1. Equip one another through sound doctrine, studying and applying biblical principles by intergenerational teaching (citing Titus 3 model where the older women are admonished to teach the younger women so that all deepen their faith, becoming God honoring women). This involves being accountable to one another, encouraging and equipping each another to use the gifts God gave us in our homes, our church and our culture.**
  
- 2. Provide opportunities throughout the year for women to gather on a one-on-one, small group or congregational basis. Activities can include, but are not limited to:**
  - Conferences, Retreats; Locally, regionally, provincial, international**
  - Events (ie. Ladies Time Out, Movie Nights, Teas, Banquets, Cooking lessons, Quilt sessions, Scrapbooking evenings, etc.)**
  - Missions' Ministries (ie. Fundraise for or participate in specific opportunities)**

**Note: All Gatherings need to be structured so as to fall within FBC's Mission Statement and 5 priorities while adhering to FBC's Statement of Faith.**
